

Part Name Coil & housing assy.

Model Y-series

S.No.	Operation Name
1	Coil Winding
2	Magnet Wire cutting & stripping
3	Fuse splicing and fuse Assy & Coil winding & Lead wire & Diode
4	Bonding shrink tube & silicon tube cutting
5	Lead wire cutting & stripping
6	Diode lead bending
7	Lead wire & Diode lead Assy
8	Coil winding & Lead wire & Diode lead Assy
9	Coil & Bobbin Assy
10	Housing & Flange Assy assembly with Diode cover, Insulator & Grommet
11	Bobbin,Coil ASM & Housing & flange Assy assembly
12	Epoxy moulding
13	Gauging
14	Wire cutting & stripping
15	Ring terminal crimping
16	IR testing
17	Earth terminal & Housing Assy
18	Housing lead wire & TPS lead wire splicing
19	Shrink tube heating & lead wire length checking
20	Housing lead wire & TPS lead wire splicing
21	Shrink tube heating & lead wire length checking
22	Performance tesing
23	Final Inspection

Part Name Pulley & bearing assy.

Model 2TG

S.No.	Operation Name
1	Friction ring pasting
2	Friction ring heating
3	Pulley machining
4	Bearing pressing & caulking
5	Final Inspection

Part Name Armature assy.

Model Y0M

S.No.	Operation Name
1	Hub Riveting
2	Armature Riveting
3	Grinding
4	Concavity & flatness inspection
5	Performance testing
6	Final Inspection
